

NovaSOL®

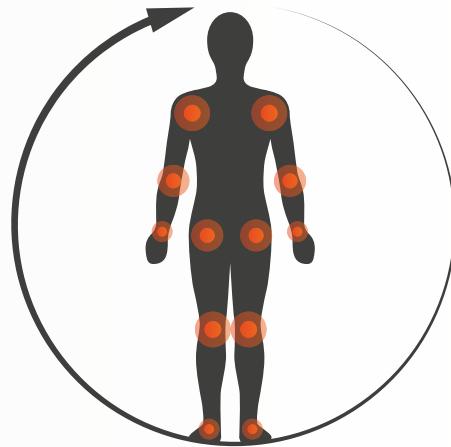

BOSWELLIA

BOSWELLIA SERRATA – a traditional extract against inflammatory effects

- Also known as Indian frankincense, a herbal extracted from the Boswellia serrata tree
- Traditional use over centuries in Asian and African folk medicine
- Suffers from poor bioavailability in native form

Health benefits related to:

- Anti-inflammatory effects
- Asthma
- Collagenous arthritis
- Crohn's disease
- Menstrual cramps
- Osteoarthritis
- Rheumatoid arthritis
- Ulcerative colitis

NovaSOL® enables bioavailability in a natural and scientifically proven manner

- Up to 56 times faster and higher absorption
- Proven in an animal trial
- Published in peer reviewed journal ↗ ([LINK](#))
